GET THE FLOOD FACTS!

Just 1 inch of water can cause \$25,000 of damage to your home. Did you know flood insurance is required for properties with mortgages in FEMA mapped 100-year floodplains, but is available for any property, regardless of whether it is located in a mapped floodplain?

Do NOT wait for flood damage to occur. There is a 30-day waiting period before flood insurance takes effect. Most standard homeowners' insurance policies do not cover flood damage.

Longmont community members are eligible for 25% off flood insurance premiums. Visit longmontcolorado.gov/flood-info to learn more!
